

Henley-on-Thames/ Peppard Branch

4 August 2021

Dear Members and Friends

I am very happy to tell you we are delighted to resume our monthly meetings in the Christ Church Centre starting in September.

Since the lovely chef Doug has, sadly for us, retired and the CCC kitchen is no longer available for our use we are unable to provide a lunch. However, we propose to meet in the same room for Coffee and Cake at 10.30, with a talk at 11am.

We aim to provide good coffee, delicious cake & biscuits and an interesting speaker all for the princely sum of £10. We have September 20th and October 18th speakers booked this year, with Remembrance Sunday lunch on 14 November and a Christmas Lunch at a new venue, The Henley Rugby Club, on December 20th. Please update your diaries accordingly.

I also look forward to introducing you to two new members who have recently joined the Branch Committee. Karen Grieve will be coordinating our Events programme and is busy now gathering interesting speakers for our monthly meetings in 2022. Ania Kozniewska, whom some of you will know and recognise after her amazing fundraising for Captain Tom 100 Challenge was reported in the local press. I am so pleased to welcome them both to our hardworking team.

PS don't forget to book for the Coffee Morning & Talk by the preceding Thursday by email to chairman@rbl-henley.org or phone Henley 578238. Be assured that all care will be taken to keep us safe, hand sanitizers will be available and you might want to wear a mask when arriving and departing.

Wishing you all a nice summer break in the meanwhile.
